

Carters Charity Primary School

Year 6 Summer Newsletter

AS CREATORS WE ARE.....

ART & DESIGN: Take a Seat

This topic will further develop our sense of identity by using the work of Yinka Ilori, who uses chairs to express himself. Children will use a range of 3D materials to design and make their own chair.

DESIGN & TECHNOLOGY: Waistcoats

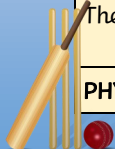

We will look at some existing waistcoat designs and become fashionistas ourselves by making a wearable garment.

MUSIC: The Year 6 Leaver's Performance

Get your tickets ready! We are putting on a show darling!

The show is yet to be confirmed, but make sure you don't miss it.

PHYSICAL EDUCATION: Cricket, Rounders and Tennis.

HOW YOU CAN HELP US...

Our Active Kit days are Wednesday and Thursday each week. Please send your children to school in their Active Kits on these days. No jewellery must be worn.

Please read with your child as much as possible. Homework is set every Monday and handed in the following Monday.

WOW Moments

Fleetwood Beach Trip

Year 6 Treat Day—TBC

PARENT PRESENTATION

Join us in the morning, to celebrate the work your children have done in their time in year 6 and at Carter's Charity.

AS MATHEMATICIANS WE ARE...

This term we will be focusing on consolidating the skills and knowledge we have learnt ready for the move to secondary school.

AS READERS AND WRITERS....

We will be using the book Rooftoppers by Catherine Rundell as inspiration for our writing this term.

Set in Paris, this book tells the story of Sophie, an orphan who discovers a secret world on the rooftops of the city and who is on a quest to discover information about her past.

AS INVESTIGATORS WE ARE...

SCIENCE: Evolution and Inheritance, Light

We will learn about variation and adaptation. We will examine the scientific evidence from plants and animals that has been gathered to support the theory of evolution. In Light, we will learn about light, how we see, shadows, reflection and refraction. We will learn how light travels and how this enables us to see objects.

AS ENQUIRERS WE ARE...

GEOGRAPHY: Enough for Everyone

Year 6 will learn about the needs of a settlement, and the needs of the planet as a whole. They will find out where resources such as power and food come from, and look at ways in which natural resources can be conserved.

HISTORY: Early Civilisations

In this topic, we will learn about the first civilisations Ancient Egypt, Sumer, Indus Valley and the Shang Dynasty. We will discover what they had in common, what were their biggest achievements and how they have affected our lives today.

RELIGIOUS EDUCATION: Christianity (Church), Islam

We will explore how Christians mark turning points in their life journey. In Islam, we will learn about Hajj and its importance to Muslims.

AS COMMUNICATORS WE ARE.....

COMPUTING: Programming Micro:bits

We will learn to programme an animation, recognise coding and create a programme using the Micro:bits.

AS YOUNG PEOPLE WE ARE...

We will be focusing on the rights and responsibilities we have as British citizens and how laws are made to protect us. We will also discuss the transition to secondary school and how we can prepare for this move but also how we can keep ourselves safe.
