

## Uniform Policy – September 2022

The children look absolutely fab in their uniform and we ask that you pay full attention to the uniform policy and our expectations as the little things like not wearing trainers all week or not wearing patterned or striped socks instead of plain ones make a big difference. We understand that things happen, but I think it important to start the year as we mean to go on.

Trainers

No jewellery

- The uniform does not have to be one with a school logo on. We are happy for children to wear blue jumpers or cardigans as long as they are plain and have no other logo. All major retailers stock such items at very reasonable prices.
- We insist that children do not wear make-up, that children do not have inappropriate hairstyles (tramlines; excessively dyes; loose braids) and that any ear jewellery is restricted to plain and small studs.
- Children must not wear trainers for any day other than games day and on other days shoes must be worn. This means we do not allow boots or sandals.
